A reminder please that masks are to be worn by all visitors to the school. Visits are for drop off and pick up and otherwise by prior appointment please.

Trouble settling?

Please contact Mrs Robertson (rrobertson@matarau.school.nz) or Mrs Marvin (jmarvin@matarau.school.nz) if your child is taking a while to settle, or if they just need a little support. We have an amazing pastoral team and they love to help out.

Virtue - Humility

We are very excited to introduce our 2022 commencement virtue ... HUMILITY Please find support material attached and take the time ...

... to discuss humility with your children

... talk about how/where you exercise humility in your life

... celebrate examples

... set goals

... revisit in the coming weeks

Humility seems a tricky virtue to define, but it's worth the effort. Maybe explain to kids that being humble helps us to be kind to others because it reminds us that we are not perfect either.

Disability car park

Please keep the disability car park clear for those who need it.

Goal Setting/Zoom meetings

Thank you to those parents who returned daft goal sheets this week and/or who booked a zoom meeting. If you would like a zoom meeting at any stage please contact your child's teacher ... nowhere near as good as face to face meetings, which we hope are in the not too distant future.

Teachers e-mail address

Some parents are asking for their teacher's classroom e-mail address. This is really easy to work out by using the teacher's first name initial followed by their surname and then add @matarau.school.nz (example Andrew Johnson ajohnson@matarau.school.nz or Jayde Jongkind jjongkind@matarau.school.nz)

Corona Virus ... Omicron etc.

1. Advise the school as soon as you can if you or your child have covid
2. Please keep us in the loop
3. Let us know if there is any way that we can help

If you would like information on the covid vaccine for children please email Paula on admin@matarau.school.nz (we have a number of hard copies we can send home on request).

And remember please that under no circumstances should a symptomatic child be sent to school.

Senior Study Hour (Years 7 & 8)

Senior Study Hour operates 3:00 to 4:00 on Mondays, Wednesdays and Thursdays. Children may attend anywhere from 1 to 3 of these weekly sessions. If you would like to register your child please do so by contacting Mrs Donaldson on kdonaldson@matarau.school.nz.

Yummy stickers

We are starting collecting Yummy stickers again. Please collect the Yummy cut-out labels from bags (each cut-out label is worth 10 stickers) and individual Yummy apple stickers for our share of the \$200,000 free DG Sport sports gear prize pool. Yummy apples are available from New World, PAK'nSAVE and participating Four Square stores (and some Countdowns). The more you collect, the more sports gear we get. Please see Mrs Easterbrook in room 2 for more sticker/label sheets. All started or completed sheets can be returned to Mrs. Easterbrook.

Year 7/8 Immunisations - HPV & Boostrix

The public health nurses who run the school-based vaccinations for HPV and Boostrix, have been seconded to help with the Covid-19 response which could delay and potentially suspend the normal roll out in of these vaccinations in school. They have encouraged parents/caregivers to take their children to get vaccinated by their GP when possible.

Term Headlice Inspection

... will not take place this term due to covid distancing and contact protocols. Please check your children's hair weekly, and respond promptly in the event of infestation. We will resume inspections when circumstances allow. Thank you.

Final Word

An on-going thank you to those parents who have been keeping us informed of positive covid results and isolation periods. Your efforts have enabled us to get a very good picture of the rate of spread. It is our strong impression that children want to be at school with their friends and their teachers, and that face to face learning is the preference for most children (and parents). So our goal is to have as many children at school as possible for as long as possible. A special thank you to those parents in our phase/stage 1 group (i.e. those very keen to distance learn if this became advisable), I am sorry that you are still on hold, but the rates of spread of the virus has been slower than expected, and so we are drawing out the period of "at school" learning for the moment. We will review next week and keep you posted. Around 30% of our students are now on distance learning or similar (so classes on average are down by a third) but we have no obviously symptomatic children at school, and we have enough staff to manage classes at present. We are not sure why the spread is happening slower than in other schools, but let's celebrate that fact.

Enjoy the weekend and stay well.

Nga mihi
